

# **FISCAL NOTE**

## **HB 704 - SB 1435**

February 18, 1997

**SUMMARY OF BILL:** Authorizes the Maury County school superintendent to provide transportation to students who live less than 1 1/2 miles from school, if the safety and welfare of the students so dictate.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase Local Govt. Expenditures - Not Significant**

Transportation costs based on busing students who live farther than 1 1/2 miles from school are part of the BEP funding formula. Local education agencies may transport students who live within the 1 1/2 mile range at their own expense. It is assumed that Maury County school transportation costs will not increase significantly if certain students residing 1 1/2 miles from school are transported.
